SUMMARY

Passionate and detail-oriented UI/UX Developer with a strong foundation in responsive web design and hybrid mobile application development. Adept at transforming complex requirements into intuitive, user-centric interfaces using HTML, CSS, and JavaScript. Experienced in bridging the gap between aesthetic design and functional code to deliver seamless digital experiences. Eager to leverage creative problem-solving skills to build engaging and accessible digital products.

SKILLS

Languages : HTML5, CSS3, Tailwind CSS, JavaScript, Java

Concepts & Practices : Responsive Web Design, Basic UI/UX Design, Website & E-commerce Management

Tools : VS Code, GitHub, Figma, Canva, Chrome DevTools, LaTeX (Scientific Writing)

PROJECTS

DemuRup Media Official Website

10 April, 2026 – 17 April, 2026

Responsive Website

- Build a fully responsive, single-page marketing website for a real creative agency from scratch, structuring the layout with semantic HTML5 and a mobile-first CSS approach so it looks clean on every screen size from small phones to large desktops.
- Developed interactive features including a glassmorphism navigation bar, smooth scroll animations, a parallax scrolling banner, and an auto-triggering lead-capture popup with custom JavaScript timer logic

Pocket Bhajan Diary

Jan 2026 – March 2026

Hybrid Mobile Application

- Engineered a hybrid mobile app that modernizes how users access devotional content, transforming scattered texts into a centralized, easy-to-navigate digital library.
- Architected a responsive, cross-platform UI using HTML, CSS, and JavaScript, delivering a fast, native-like experience across diverse mobile screen sizes.
- Designed an intuitive "all-in-one" ecosystem for Aartis, Chalisas, and bhajans, featuring streamlined navigation that eliminates friction in daily reading routines.

EXPERIENCE

DemuRup Media

Jul 2025 – Dec 2025

Junior Web Design Intern

Mumbai, Maharashtra

- Structured web pages using HTML and created responsive layouts using CSS for various devices.
- Converted static designs into functional code, ensuring clean standards and cross-browser compatibility.
- Contributed to the visual presentation of digital platforms and consistently met project deadlines.

Qaani Enterprises
Web & Digital Intern Operations

Dec 2024 – May 2025
Jaipur, Rajasthan

- Assisted with website updates, managed the product catalogue, and handled online sales operations.
- Provided technical support and basic troubleshooting for web and digital platforms.
- Helped improve processes by quickly adjusting to tasks and working efficiently with the team.
